

Small Full Colour Scoreboards

Our Small Full Colour LED Scoreboards combine an electronic scoreboard with a dynamic advertising screen.

- ▶ Scores and Time, combined with Adverts, Team List and Players and Sponsors
- ▶ Live TV can be streamed to the Screen
- ▶ Slow Motion Replay and Recording available as an option
- ▶ Suitable for Indoor and Outdoor Use
- ▶ Various mounting options are available, posts, frame or wall
- ▶ Easily readable throughout the ground / stadium

Small Full Colour Scoreboards

Features and Benefits

More than just a 'Scoreboard', not only will your screen show Teams, Scores and Times during a match but a multitude of information for your supporters such as Players images, Sponsors, Adverts, Videos, General Information and Competitions.

During a match or game you can show the scores and times along with goals / trys / points scored, but in addition you can intersperse with adverts for sponsors. Before the match you can show the names and photos of the teams playing along with any video adverts for paying sponsors. During half time you can show information on raffles, general Club information and again sponsor adverts.

Full Colour LEDs

Our Scoreboards have full colour SMD LEDs giving high quality and high colour images.

Multi Use & Multi Sport

Scores, Information, Advertising, Videos, Training, can be used for multiple sports.

Outdoor & Indoor

A range of outdoor LED scoreboards and Indoor Scoreboards.

Wireless Technology

Our scoreboards are integrated with the latest wireless connectivity.

Software

We have our own software packages to operate our scoreboards, developed in UK.

Remote Operation

Software can also be operated from your mobile device as well as PC.

Weatherproof

Our outdoor scoreboards are fully weatherproofed to IP65-IP68.

Standards

Our scoreboards are impact resistant and are CE and EMC marked.

Return on Investment

The screen also acts as an advertising board for sponsors giving you an income stream.

Training Sessions

Display performance videos and coaching instructions during player training sessions.

Power

Front access scoreboards have the lowest power requirement of other displays.

Small Full Colour Scoreboards

Small Outdoor Full Colour Scoreboards

For smaller Clubs without the vast budget of the larger Clubs, we regularly install small LED scoreboards. You still have all the capability of the larger screens, with Multi Sport options, scores, times, adverts, videos and Club information. We can discuss with you your preferred layout for the scoreboard and design accordingly.

- Finance available, please ask for details.
- Installation available, call us for a quote.
- With LEDsynergy there is no waffle or complicated explanation, we like to keep things as simple as they can be.

BRITISH DESIGN & MANUFACTURE

Multi Sports

Our Full Colour Scoreboards are extremely versatile in the way that they can be used. If your Stadium is currently used by a number a different sporting clubs then we can set up the software on the LED scoreboard so that it can be utilised by all of the Clubs, utilising our unique Apps.

Shown here in the images below and right you can see examples of a screen which has a resolution of 576 x 384 pixels, shown in various layouts and various sports. You can see that the quality of the image is very clear and will give the supporter a very good view from around the stadium.

The layout and colours can be changed to suit the Club, for example the Football layout could be as the example shown on the right or alternatively as the rugby layout below and vice versa. You can easily switch between scoreboard view and video view or even combine the two. Adverts or information can be shown at any time too.

576x384 pixels - Football format

576x384 pixels - Rugby format

576x384 pixels - Football live format

576x384 pixels - Cricket format

Software for Scoreboards

LEDsynergy HTML Video Scoreboard Software

We have developed our own software to control our full colour video scoreboards which is a preferred options for many Clubs. It is very easy to use, before your LED scoreboard is installed we will set up all the technical elements of your software onto your PC controller, having already liaised with you to confirm layouts.

As you can see from the images, you have a 'Dashboard' on your controller screen to set up 'Teams', 'Players', 'Images', 'Adverts', 'Videos' and any information that you want on the scoreboard, this can be done before the match. During the match all these elements, as well as 'Goals', 'Scorer' and 'Match Start/Stop' are activated by simply clicking a button on the dashboard or by using a mobile phone or tablet device.

We can set up your software in a format that suits your sport, with text, images, colours and backgrounds to wow the crowds or just simply text on a plain background.

accreditations

LED Synergy Electronic Displays have 40 years experience in the manufacture and supply of electronic displays to many companies and individuals worldwide. We have a wealth of experience and expertise and have been accredited with the following certifications:

WE ARE ALSO AN APPROVED HIGHWAYS AGENCY CONTRACTOR

- **Simple to operate products with bespoke software**
- **Value for money & satisfaction guaranteed**
- **Superb British manufactured products**
- **Excellent support & customer service**

"I am over the moon!" *Quartermaster*
- Army Land Forces HQ

"Well done, system all up and running for D-day, and very positive comments from all the staff."
Richard Aschough (Treasury) - Bank of England

"I've dealt with a lot of LED companies and I wouldn't ever now consider moving from LEDsynergy" *Paul Holland - WAE Group*

"Our new electronic displays really help, before the displays, the visitors made their way to the nearest ride or the most popular. This created large queues on some, but no waiting on other rides, but with the introduction on the boards visitors are better informed, making a more enjoyable day for all" *Chris Burton - Park Manager - Legoland*
